[LeetCode:](https://leetcode.com/u/cybersachin/) <https://leetcode.com/u/cybersachin/>

## Career Objective

Enthusiastic Computer Science Engineering student with solid foundations in algorithms, data structures, and object-oriented programming. Skilled in Java, Python, and JavaScript, with experience building web applications and solving complex problems. Seeking the Systems Development Engineer Intern role at Amazon to contribute to innovative projects in a fast-paced engineering environment.

## Education

- B. Tech in Computer Science & Engineering, R.R Institute of Modern Technology, AKTU 2023 – Present
- Diploma in Computer Science & Engineering, Janta Polytechnic Jahagirabad, BTEUP 2020 2020–2023
- High School (UP Board), B R D I C Ballipatti Deoria 2020

## Technical Skills

- **Languages:** Java, Python, JavaScript, C (basics)
- **CS Fundamentals:** Data Structures, Algorithms, Object-Oriented Programming, OS Concepts
- **Web Technologies:** ReactJS, HTML, CSS, Tailwind CSS
- **Databases:** SQL, MongoDB
- **Version Control:** Git, GitHub
- **Tools:** Postman, Figma, Canva, Postman
- **Soft Skills:** Problem Solving, Communication, Teamwork, Adaptability

## Projects

- **TaskNest:** Developed a full-stack task management app using MongoDB, Express, React, and Node.js (MERN). Implemented CRUD operations, RESTful API integration, and responsive UI. Enabled real-time task updates, persistent data storage, and user-friendly design with intuitive task categorization and filtering.
- **Amazon Clone:** Built a fully responsive e-commerce web application replicating core Amazon features using React and Bootstrap. Implemented product listings, shopping cart functionality, user authentication, and dynamic routing. Designed clean, mobile-friendly UI and managed state efficiently using React hooks.
- **Portfolio Website:** A personal portfolio website showcasing my technical skills, projects, certifications, and professional background. Built using React.js, it features responsive design, smooth animations, and integrated GitHub and LeetCode profiles for real-time project and problem-solving activity.

## Certifications

- TCS iON Career Edge – Young Professional (Soft Skills, Communication, IT Fundamentals)
- React and Redux Certification – Complete Coding by Prashant Sir
- Problem Solving (Basic) – HackerRank

## Academic Achievements

- Solved 200+ coding problems on platforms like HackerRank and LeetCode.
- Regular participant in coding contests to improve problem-solving speed.

## **Languages**

- English
- Hindi

## **Interests**

- Algorithmic Problem Solving
- Computer Networks
- Cloud Computing
- Exploring New Technologies
